

OTA TO BA BIOPSYCHOLOGY TRANSFER PLAN

FINISH STRONG WITH MCKENDREE

McKendree University and Lewis & Clark Community College have entered into an articulation agreement to ensure a seamless transfer for you. Follow the plan to complete the requirements for both your Associates and Bachelor's degrees. We recommend that you start the application process at McKendree the semester before you hope to transfer.

MAKE IT MCKENDREE

- Scholarships available for Phi Theta Kappa members
- Opportunities to conduct research with your professors, present papers at national academic conferences, and gain real-world experience through internships
- Honor societies in psychology and biology enable you to meet others and enhance your resume
- Small class sizes to ensure you receive individualized instruction
